1. The Financial Services Authority (FSA)

The FSA is the independent watchdog that regulates financial services. It requires us to give you this document. Use this information to decide if our services are right for you.

2. Which service will we provide you with?

You will not receive advice or any recommendation from us. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

3. Whose products do we offer?

For Protection Insurance (i.e. life insurance, mortgage life insurance, critical illness insurance and family income benefit insurance), we collect your data via the data collection form which we then pass on to Click Financial Ltd trading as Click.

Click is able to compare and offer products from a range of insurers and will come back directly to you on the terms they obtain. So by going through us you will have protection insurance compared and offered from a limited number of insurers.

4. What will you have to pay us for our services?

Nothing. We do not charge a fee.

5. Who regulates us?

Alliance Internet Limited is an Introducer Appointed Representative of Click Financial Ltd, Click House, Bear Lane, Farnham, Surrey, GU9 7LG who are authorised and regulated by the Financial Services Authority.

Click Financial's FSA Register number is 311877.

Alliance Internet Limited can be found on the FSA register as an Introducer Appointed Representative under FSA register number 429158.

You can check this on the FSA's Register by visiting the FSA's website www.fsa.gov.uk/register or by contacting the FSA on 0845 606 1234.
